Has the patient init	iated treatmer	nt at your office	e? □ Y	'es □ No		
☐ If any future lab	tests are need	ed, please prov	ide patient with a pres	scription, and have patier	nt bring on	
day of treatment. I	Results will be	sent to referrin	g physician.			
Please note:						

- 1. A Letter of Medical Necessity is required for all patients receiving their initial infusion at Astera (letter must include diagnosis, previous treatments/response to treatments and be on letterhead with physician signature).
- 2. Benefit investigations, copay assistance and prior authorizations will be handled by the Astera precert staff if required by the payer. Right to auto-substitute biosimilars based on payer's preference. Detailed clinical notes providing supportive documentation are required for authorization requests which may take 3-5 business days depending on the payer. The precert staff will update the referring doctor's office during this process and contact the patient to discuss cost and financial assistance options. For certain medications, patients will be required to register/enroll with the pharmaceutical company prior to rendered services and will receive a call from an Astera Financial Counselor to assist with this process.
- 3. A pretreatment education session will be provided by an Advanced Practice Provider.
- 4. Once the infusion is complete, a follow-up notice will be faxed to the to the referring provider.

	Last	First	Middle				
Please check the box for medication requested, attach required documentation as noted below, and fax all documents to our office at 844.683.2244. Once all documentation is received, we will contact your patient to schedule an appointment. Thank you!
